MEMORANDUM FOR:

~~ADDI~~ *124* *OR*

The House Foreign Affairs Committee, at the direction of Chairman Fascell, has formed a working group on international terrorism. At their request, we are giving them access to the attached version of the Terrorism Review. OGI tells me that it is not burdensome to run off this expurgated edition,

Unless you object, we will provide this to the Committee on a regular biweekly basis. We do not want the Committee to have access to the Terrorism Review, per se, as it has not been given to any but the oversight Committees.
